## **Report of Selectmen**

To the Citizens of the Town of Millbury:

The Board of Selectmen presents its report and the reports of the various Town Officers for the year ending December 31, 1962.

In this year of 1963 we will celebrate our 150th anniversary of the founding of the Town of Millbury which was incorporated in the year 1813. The Sesquicentennial Committee has been working industriously for the past three years making plans for this forthcoming major event. The week of June 17th has been proclaimed by the Board of Selectmen as Millbury's Sesquicentennial Week. There will be many interesting and exciting events such as fireworks—a parade—sports events—a banquet and reception to name a few. We heartily thank all the committees for the hard work they contributed towards making this celebration a great success.

We have received many favorable and complimentary remarks about the Municipal Parking Lot at the rear of the public library which has eased the parking on Water Street and Grove Street both for the Assumption Parish and the Central School. This year we have added to its usefulness by installing a gate in the fence between the parking lot and the Assumption School; also a gate for the children of the Central School so that the children can now board their busses in the parking lot instead of the busses parking on Water Street and Grove Street. We feel this to be a great safety factor for the Children.

We announce the retirement of John M. Hamilton, Veterans' Agent of the Town of Millbury for the past 18 years. He accepted a position in the State Service Board. John has served the town faithfully in many capacities. To name a few: He was State Member of the Veterans' Housing Authority on Grafton Street—Housing for the Elderly on Pearl Street—Commander of the American Legion Devoe-Taylor Post. We wish him continued success in his new position.

Sgt. William Fallstrom of our Police Department has been appointed as the School Safety Officer in charge of the School Crossing Guard Unit that has done a splendid job in the safe-guarding of our school children. Sgt. Fallstrom will have larger school zone signs erected and larger school

cross walk signs made for better protection of our school children. Praise should be given to Sgt. Fallstrom and his School Crossing Guard Unit for the splendid job they are doing in all kinds of weather and the small compensation they receive for it.

A central sewage system for the Town of Millbury seems to be the most important order of business before us in 1963. We would like to review just briefly where we stand at the present time relative to this matter. The Town has acquired a site for the proposed sewerage plant. It has been approved by the State Department of Public Health. The engineering is completed for both the plant and all main and lateral lines within a radius of a half mile of Millbury Center; this includes plans and specifications. Engineering-wise we are at a point where the Town is ready to start construction of this system. The Board of Selectmen has had an Enabling Act filed with the General Courts in Boston on behalf of the Town by Senator William Fleming. This is compulsory before any money can be borrowed outside the department limit of the Town. We feel quite sure that we will get favorable action on this Act.

The Board, after much thought and deliberation, decided against asking the Townspeople to approve a bond issue for the purpose of starting this project in 1963. This is unless the Federal Government makes matching funds available (50% of total cost) to the Town at some later date in 1963; then we would call a special Town Meeting and seek permission to proceed with this project.

The Board of Selectmen have sponsored an article in the Annual Town Warrant to purchase a piece of land on Washington Street for the purpose of developing a recreation and playground area for the children in the Bramanville Section of Town. This site is about six acres in size and can be acquired for the sum of \$3,000.00. The Town Engineer has made a survey of this property and has assured the Board of Selectmen that land can be developed at a minimum of expense. It is upon his advice that we are recommending this purchase.

Respectfully submitted,

RICHARD J. DWINELL, Chairman  
FREDERICK E. LUCAS, Clerk  
WILLIAM J. GIBSON

## **Report of the Town Publication Committee**

To the Citizens of the Town of Millbury

This committee in presenting this final report is pleased to have been able to culminate the objectives of its appointment set forth at your last annual town meeting, March 10, 1962.

The consolidation of three separate official town publications into one book. Namely, the Annual Report of the town officers, the Budget and Town Warrant Articles and the Annual Listing of Males and Females enrolled in the Town of Millbury, is now evidenced by this publication.

We trust that this one book will prove to be a valuable source of information to the inhabitants of Millbury, both now and in the future.

In addition to this consolidation of books, this Committee has increased the printing of this book from 2800 to 3000, to provide adequate distribution. You will also find a new section in this book providing you with a complete listing of Federal and State Government Representatives for our District, along with some pertinent facts about Millbury.

In observance of our 150th Anniversary, we have called upon the leaders of the future to create a cover for this new book. The students of Millbury High and Jr. High Schools have submitted their own individual creations to a board of judges and they have selected the best illustration, which now appears on the cover of this book.

In concluding this report, we wish to note here that this publication will be the first in the 150 years of our Town's incorporation in which all three above named reports will appear under one cover.

Respectfully submitted,

Town Publications Committee;

WARREN G. BALDWIN

JOSEPH A. PARADISE

## Veteran's Service Department

To the Honorable Board of Selectmen:

I hereby submit the Annual Report of the Department of Veterans' Services and Benefits for the year ending December 31, 1962.

The Town Auditor's report will give the different expenditures, reimbursements and financial reports. Therefore, we shall not repeat at this time, but will give an itemized list showing how our appropriation was spent in giving aid to the Veterans, or Dependents, if they qualified and were eligible.

Our caseload consisted of the following:

77 Veterans' Benefit Cases with Millbury Settlement

1 Veterans' Benefit Case with State Settlement

6 Veterans' Benefit Cases referred to other Cities  
and Towns

6 Veterans' Benefit Cases Rejected

There were numerous applications and claims processed through this office during the past year, and submitted to the various agencies of Local, State and Federal Government.

With the closing down of the Veterans Administration Contact Office in Worcester, excepting for two (2) days a week, we have been called upon to assist and counsel many more Veterans and Dependents with their problems.

A total of 29 Tax Abatement forms were completed. Also 35 Annual Questionnaires, 65 Draft Registrations. 1450 Discharge Papers and other important documents were photostated this year.

During this year we had 8 Veterans admitted to Veterans Administration Hospitals for treatment.

I wish to express my gratitude to the Board of Selectmen, and John M. Hamilton, for their valued advice and cooperation given me these first trying months.

Respectfully submitted,

FREDERICK E. LUCAS, *Agent*

# Highway Surveyor's Report

To the Honorable Board of Selectmen and the People of Millbury it gives me great pleasure to submit my annual Town Report.

## GENERAL HIGHWAY

The usual work has been completed under the General Highway and permanent road accounts. This includes the cleaning of streets, cleaning out the man holes and catch basins and repairs where necessary. We eliminated a bad curve on Stowe Road, and resurfaced with a Mix-In-Place type material Federal Hill Road for a distance of 900 feet also with the same mix a section of McCracken Road for a distance of 600 feet.

It gives me great pleasure to report that since I have been elected to this office that all hard surface roads have been oiled and honed at least once. This has enabled us to keep a minimum the necessity of patching roads.

Listed below are the streets which were oiled and honed during the past year:

Greenwood Street	Johnson Street
Beach Street	Rice Road
Carlton Road	Elmwood Street
Park Hill Avenue	Stowe Road
Hollywood Avenue	Maple Street
McCracken Road	Heather Avenue
Auburn Road	Dolan Road
Grafton Street	

## SNOW & ICE

We were kept busy during the winter season with a number of snow and ice storms and tried to give all prompt service to all sections. We gave particular attention to all sections where school bus routes were involved. We want to thank everyone for their cooperation during these storms. Following all these storms we removed snow from the business areas, churches, schools and funeral parlors.

In closing I would like to thank the personnel in the Highway Department, and all other town departments for their help and cooperations that they have given me in the past year.

Respectfully submitted,

RUSSELL G. GOVER

Highway Surveyor

As your Chief of Police I am submitting an Article, which will appear on the Warrant at the Annual Town Meeting to be held on March 2, 1963 relative to the purchase of an additional cruiser.

I am convinced and I am sure the Townspeople are aware, that no department, business, or other venture can be 100 percent efficient with anything less than that amount of the necessary facilities.

During the past year the Police Department's one cruiser operation has been patrolling almost constantly, endeavoring to reduce our accident ratio, and to curb or deter crime in general in our community. A strong indication of this fact

is the forty odd thousand miles put on the cruiser since it was put into service on May 10th of 1962, and the fact that a great number of Motor Vehicle Law violators have been before The Central District Court in Worcester. I feel sure that an additional cruiser would increase the efficiency of the department tremendously.

Statistics show from past records that a number of complaints relative to malicious damage to personal property, disturbances, and noisy parties are more prevalent in the outlying districts. We certainly do consider areas from which these particular complaints are made and we do patrol the areas, however usually when a complaint is received the one cruiser is in another section of town, and by the time the cruiser makes its appearance the perpetrators have left the scene, we make every effort to determine who the responsible persons were, but usually our efforts are hindered by lack of descriptive information regarding the vehicles used or the persons involved, with a second vehicle in operation we would certainly be in a position to afford more police protection to the entire community.

I wish to take this opportunity to express my sincere thanks to all other Town Departments for their cooperation for the year 1962.

Respectfully submitted,  
HOWARD R. WHITE  
*Chief of Police*

The operation as an Infirmary was closed down in November 1961.

An auction was held May 19, 1962 at which time the property was sold to various persons.

As of December 31, 1962 the legal transfer was in progress. The long delay is due to a legal technicality which is being resolved.

# **Report of Board of Health**

December 12, 1962

To the Honorable Board of Selectmen:

The Board of Health submits the following report for the year 1962.

January 1st there were two patients at Worcester County Sanatorium and two were admitted during the year. Two patients were discharged leaving two patients at the Sanatorium as of December 12th.

January 1, 1963 the Sanatorium will be under the supervision of the State Health Department. The Town will not be assessed for share of County expense as in the past, but our Board will be billed direct for one-half of cost per day for hospitalization of each patient with residence in Millbury.

Many complaints of inadequate sewerage systems, sub-standard housing and dumping of rubbish were received during the year.

Our Board sponsored two immunization Clinics for Type I and Type III Oral Polio vaccine. 1659 children from age 3 months thru 7 years received this vaccine.

109 pre-school children were vaccinated against Smallpox.

In December pupils of Grades 1 and Grades 10 were given the Mantoux (TB) Test.

Again this year with the cooperation of the State Health Department the water at all public bathing beaches was regularly analyzed for bacteria that could be dangerous to the public health.

All contagious diseases must be reported to our Board and the following cases were reported for 1962.

Chicken pox	65
Dog bite	78
German measles	7

Measles	91
Mumps	8
Scarlet fever	15
Infectious hepatitis	4
Infectious Mononucleosis	6
Tuberculosis	1
Cat bite	1

Licenses and Permits issued during 1962:

- 1 Nursery Play Center
- 3 Funeral Directors
- 41 Burial Permits
- 2 Pasteurization of Milk
- 7 Methyl Alcohol
- 6 Cleaning Cesspools and Septic Tanks
- 74 New Sewerage systems and to repair old systems
- 34 Percolation Tests
- 121 Plumbing
- 1 Overnight cabins

## Civil Defense

To the Honorable Board of Selectmen and the Citizens of Millbury.

The Civil Defense Department's Budget Report can be found under the Auditor's Report.

This has been a very active year for the Civil Defense Department. Many of our goals have been reached and much has been accomplished. We are happy to report the purchase of a rescue truck. This truck is now on order with the International Truck Company of Worcester and will be constructed in accordance with our specifications. Specifications call for a four-wheel drive, winch and all the necessary mechanical equipment for efficient and safe operation. Truck will also be equipped with a two-way radio. This radio will be on our local frequency which includes Fire, Police, Highway and Civil Defense Departments.

The items listed below have been purchased to equip the rescue truck. These tools and equipment should prove of great value in time of emergency.

After being advised by electrical engineers that our present warning system is neither practical nor adequate, we have decided not to repair this system. We were also advised that the upkeep of our present system would be an expensive item and that the cost of necessary repairs at this time would amount to approximately one thousand dollars (\$1,000.00). The fire alarm sirens will therefore be used in case of an alert.

Within the past year, we have realized the organization of an auxiliary police unit. This unit, consisting of fifty men, will be a very important part of our Civil Defense Department.

It is my sincere wish that the work and the efforts of the Millbury Civil Defense Department in the year 1962 will, in the future, prove their value to the people of Millbury.

Respectfully submitted,

GORDON P. BREAUT, *Director*  
*Millbury Civil Defense*

## Town Clerk's Report

To the Citizens of Millbury and The Honorable Board of Selectmen:

I respectfully submit my second annual report as Town Clerk.

From the first of the year up to the date this report was submitted to the printer (December 12, 1962) I have received and recorded 106 marriages, 132 births, and 112 deaths.

There were issued, 101 marriage licenses of which 59 were married in Millbury, 24 in Worcester, 7 in Auburn, 4 in Sutton and Grafton, 2 in Uxbridge, and 1 in each of the following Towns; Dudley, Hadley, Northbridge, Paxton, Reading, and Spencer.

Of the 132 birth notices received and recorded, 124 were born in Worcester, 4 in Northbridge and 1 in each of the following Towns; Farmington, Marlboro, Northbridge, Shirley, and Webster.

Of the 112 deaths recorded 39 died in Millbury, 61 in Worcester, 6 in Grafton, and 1 in each of the following; New Hampshire, Rhode Island, Maine, Sutton, Rutland, Westboro, Charlton, Boylston, Tewksbury, Boston, and Monson.

During the past year my principal concern has been the maintenance of true and accurate public records, although the facilities for the storage and maintenance of these records is very inadequate and leaves much to be desired for their protection against fire and water damage. Many of these priceless old records of our heritage are also beginning to show evidence of wear and tear due to their necessary everyday handling over the years.

It is, therefore, my recommendation that the Town of Millbury enter into a program of Micro-filming the Town's records in order to afford positive protection, save space, make our older records easily accessible for ready reference, and to make them a truly permanent record.

ORAN DAVID MATSON

Town Clerk

## **Planning Board**

The Millbury Planning Board herewith submits its Annual Report for the year ending December 31, 1962.

During this past year this Board has issued approximately 110 Zoning Permits. We have approved one Subdivision consisting of 8 house lots; and we have signed approximately 76 plans as Approval Not Required.

The Board has been represented at several meetings held by the Central Massachusetts Regional Planning Study Committee.

Throughout the year we have met with Economic Development Associates, Inc. who are preparing, along with this Board, a comprehensive Master Plan for the Town of Millbury. The work on this Report is now in the completion stages, and many of the articles presented by the Board at the Annual Town Meeting will be a reflection of this report. As a result, the 1963 Annual Town Meeting may be requested to establish an Urban Renewal Authority, take action towards the installation of a municipal sewerage system, and take initial steps required to develop plans for the construction of a new elementary school. Requests for revisions in the Town's Zoning By-Law and map may be presented to the Annual Town Meeting, or to a special meeting at a later date.

The studies conducted for the Millbury Planning Board by Economic Development Associates cover a variety of municipal subjects and various projections have been made covering population, economic activity, and municipal finance. The background studies which have been completed are the basis for the development of recommended plans for traffic and circulation, school requirements and other municipal facilities, future land use and development patterns, and a capital improvements program.

The planning studies will result in the recommendation that an Urban Renewal Authority be established. Such an authority would undertake a limited program of renewal in the Central area of Town and of land assembly in other areas to foster economic development. The Central area project would possibly involve plans for a new municipal office building or Town Hall, a new police station, expansion of parking and improved mercantile facilities. School studies

reveal the need for new elementary school facilities in the immediate future as well as the need for the replacement of certain existing facilities. The plan to be recommended makes provision for these with the recommendation that initial steps be taken in 1963 to prepare for the construction of an elementary school in 1964.

Revisions will be recommended in the Town's Zoning By-Law and map. These will be designed to give greater protection to the individual homeowner and at the same time encourage the possible development of non-residential valuations and resulting expansion of the Town's tax base.

The method of the Master Plan studies has been to bring together the various programs for schools, utilities, municipal facilities, recreation and conservation and zoning changes, and to consider each in the light of the other. The result will be a guide which should represent an economic and realizable means for achieving community goals through co-ordinated action, subject to the review and revision through the years.

The development of the Master Plan has been conducted under the direction of and in cooperation with this Planning Board. The Board of Selectmen and other Town officials have also participated and have been most cooperative.

The study has been financed jointly by the Town and by the United States Housing and Home Finance Agency, with the Town paying one third of the \$18,000 cost. The Federal program of urban planning assistance is administered in Massachusetts by the Massachusetts Department of Commerce.

May we take this opportunity to thank the Board of Selectmen, the Town Engineer, The Department Heads, and the people of the Town of Millbury for their assistance and continued support.

Respectfully submitted,

ROBERT E. BLAIR, *Chairman*

GERARD M. Trottier, SR., *Clerk*

# **Report of Millbury Housing Authority**

Honorable Board of Selectmen  
Millbury, Mass.

Gentlemen :

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1962.

## *200-1 Veterans' Project*

Our Veterans' Project is again fully occupied at the end of this its 12th year. Three families were given housing during the year as units were vacated. A waiting list of veterans is still being carried by the authority.

Two contracts were awarded. One to Howe Petroleum Products for maintenance of furnaces. This Company continues its fine work in keeping our furnaces in A-1 condition at a minimal cost to the authority. The second contract was awarded to the Clinton Door and Window Co. for the purchase of 135 combination windows which will complete the installation of this type of window in the project.

The Authority wishes to extend its sympathy to the family of Mr. Eugene Emmons who died recently. Mr. Emmons had given many years of faithful service in collecting and removing rubbish. Mr. Edward Kusy of Greenwood Street has been hired to continue this service.

As we approach 1963 we look forward to painting and renovating the exteriors of all buildings. Other maintenance of a lesser nature will also be undertaken as time and budget permit.

*667-1 Elderly Project*

In this project we have completed our third full year of occupancy. During the year 5 tenants were admitted to vacated apartments. A long list of applicants for apartments is still in the authority's file.

Two maintenance problems face us during the coming year. Icing of several front steps have caused the authority much concern. A consultant has been called in for advice and at this time we are awaiting a satisfactory solution. The second problem concerns the replacement of sections of jets on all buildings. Weathering of materials used in construction has forced us to replace several sections with marine plywood.

The remaining sections will be replaced as soon as practical.

## Report of the 150th Anniversary Committee

To The Board of Selectmen:

The Millbury Sesquicentennial Committee has held numerous meetings during the year 1962. This past spring the Committee engaged Kenneth J. Botty, staff writer for the Worcester Evening Gazette to write up in final form, the History of the Town of Millbury for the past fifty years. A professional photographer was also engaged to take appropriate pictures of various sections of the Town to be included in the History Book. Much of the raw material utilized by Mr. Botty was compiled by the Historical Research Sub-committee under the chairmanship of Mrs. Ralph P. Day. It is expected that the Millbury Town History will be available for distribution in the spring of 1963.

The Committee has set the dates of June 21, 22 and 23 of 1963 as the active days of celebration of our Sesquicentennial and are confining our activities primarily to a review of the last 50 years, inasmuch as the Town of Millbury celebrated its centennial in 1913.

Briefly, the following are tentative events to be held on the dates mentioned above:

1. An industrial exhibit in the Millbury Town Hall commencing June 21st thru 23rd, 1962.
2. Millbury's 150th Anniversary Ball to be held Friday evening, June 21st at the Millbury High School Gymnasium, at which dress will be optional but emphasis to be on 1913 attire. Prizes will be awarded at this function to the following:
  - a. Couple with most authentic 1913 attire.
  - b. Winner of the mustache growing contest.
  - c. The crowning of Miss Millbury, Queen of the celebration, and her Court.
  - d. The crowning of Mrs. Millbury.

3. On Saturday June 22nd, 1963 the following events are tentatively scheduled:

- a. Athletic events during the day such as water skiing, ball games, marathons, etc.
  - b. Parachute drop on High School athletic field.
  - c. Chicken Barbeque on High School athletic field followed by a concert and block dancing.
  - d. Fireworks display.
4. Events on Sunday, June 23rd, 1963:
- a. Mention to be made at all Churches of the 150th Celebration, its significance and our thanks to the Almighty God.
  - b. 1 P.M. a massive parade featuring the following:
    - 1. Drum Corps.
    - 2. 1913 automobiles up to latest models.
    - 3. Civic, fraternal, industrial and church floats.
    - 4. Parade of dignitaries.
    - 5. Military marching units.
    - 6. Etc., etc.
5. Final banquet at Pleasant Valley Country Club.

The above program has been approved by vote of this Committee, the Selectmen and the School Authorities, but at this time it is not finalized and is to be considered as a tentative outline.

Respectfully submitted,

WARREN G. HARRIS, *Chairman*

## **Report of the Sealer of Weights and Measures**

To the Honorable Board of Selectmen:

I respectfully submit my Annual Report as Sealer of Weights and Measures for the year ending December 31, 1962.

This Department has checked and sealed all weighing and measuring devices in the Town according to state standards.

Endeavors have been made by this Department to assure both the seller and the buyer of sincere and honest weight, and instances of any discrepancies have been brought to the attention of the Director of Standards in the State House.

Deliveries of oil to local schools where thousands of gallons of oil are delivered yearly were also checked.

Hawkers and Peddlers licenses were also checked, along with periodic checks on bulk deliveries of oil to homes and business places.

I wish to thank all merchants and business places for their cooperation to this department during the past year.

All monies collected by me have been turned over to the Town Treasurer.

Respectfully submitted,  
FRANCIS J. MCGOVERN

Sealer

## **Report of Forest Fire Warden**

I hereby submit my report for the year ending December 31, 1962.

The Forest Fire Department was called to 37 brush fires and 19 grass fires; a total of 56 fires. Due to 1962 being an exceptionally dry year, this total is somewhat less than it has been in previous years.

Labor expenditures being low, the department has been able to purchase additional hose and equipment. We issued 283 open fires permits for the year 1962.

Respectfully submitted,  
FREDERICK A. LECLAIRE

# Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1962.

The following new salary schedule became effective September 1, 1962:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree .....	\$4200	\$6100
(2) Master's Degree .....	4400	6300
(3) Doctor's Degree .....	4600	6500

Effective January 1, 1962, the regular \$150 increment was voted to all teachers not at maximum. On September 1, 1962, a \$100 across-the-board increase was granted to all teachers, and those on maximum of the present salary schedule were raised to the new maximum.

A bill which was before the legislature requesting a \$4500 minimum salary was passed and requires that all school committees pay a minimum salary of \$4500 per year effective January 1, 1963. The committee feels that these new laws are going to make education more and more costly to the taxpaying in the Commonwealth.

Open House, an annual event in our schools, was again held in November and was well attended by interested parents.

Major repair work in the various schools was carried out as follows: painting the exterior of the Burbank and West Millbury Schools and the interior of the Dorothy Manor School; extensive repairs to the boilers at the Union and Center Schools and to the plaster at the East Millbury School. A new fence and wire window guard was erected at the high school and the blacktop of the parking lot at the rear of the high school was patched. A 1500-gallon concrete septic tank and a new filter bed was installed at the Burbank School to correct a situation that has existed for some time.

During the past year many valuable reference books have been purchased for the Memorial High School library as well as for the library that has been started at the Center School. It is felt now that the library is developing into a very satisfactory one and should compare favorably with high schools in our area. New machinery has been purchased for the high school industrial arts department and new musical instruments have been purchased for the band. We have added a new snow blower attachment for the Gravely tractor to be used at the Center School and new lawn mowers for the Dorothy Manor and Junior High Schools.

The State has approved reimbursement in the amount of \$115,390.04 for the year 1962. This amount is returned to the Town Treasurer, not to the School Department.

The School Committee at the present time is working with the Director of Civil Defense for the town of Millbury in planning proper procedures for taking care of our school pupils in the event of enemy attack.

We would like to congratulate Horace Mann students Donna Andrews, Douglas Murray, Beverly Norton, Ruth Ann Paine, Joyce Perry, Patricia Van Ostrand, Patricia Waskiewicz and Elaine White for the excellent record they have maintained while students at the Millbury Memorial High School.

During the year, two of our most able and respected teachers left our school system to enter retirement—Miss Bernice Gillert and Miss Dorothy Murphy. Both have served faithfully in the Millbury School System and we want them to know that their service to our town is deeply appreciated.

As stated in our previous reports, school operation is a tremendous undertaking. Successful operation could not be accomplished without the cooperation of the superintendent, principals, teachers, school department workers, the various town departments, parents and townspeople.

The committee thanks everyone for the generous cooperation given it during the past year; let's continue to work together to give our children the best possible education.

# Report of Superintendent of Schools

To the School Committee:

I hereby respectfully submit my third annual report and the seventy-third in the series of reports of the Millbury school superintendents.

For many years it was the custom to include the reports of a number of the staff members in the Annual Report, but last year in the interest of economy and time, they were deleted before publication and once again the selectmen have asked that they be omitted.

It is most important that all of the potential abilities of our students have the opportunity to develop to their utmost realization. With this aim in view, the Millbury Public Schools are constantly enriching their curricula through the revision of courses of study, and by the implementation of new educational programs.

## *School Plant*

Millbury has made great progress in the past ten years in updating its school plant. Our secondary facilities are adequate for the present but the time is coming, in the near future, when something will have to be done about the elementary school situation. We have at this time only two vacant rooms left unoccupied in the elementary schools and as our school population increases about one hundred each year, it does not take much imagination to realize that in the next year or two we will be reaching a crisis in our elementary school housing. Nor, I am sure, do I have to point out that many of our present elementary buildings are either over age or are wooden structures unsuitable and unfit, under present day standards, for school use.

During the past three years the weakened foundation walls of the East Millbury School have been replaced and new doors, one new ceiling, and cement stairs have been added. The refinishing of the exterior walls and the resurfacing of the roof together with a few minor repairs to the interior should take this school out of the replaceable category.

The completion of the new softball field in the Spring of 1963 should not only make a much needed addition to the physical education plant insofar as our secondary schools are concerned, but should help to meet the outdoor recreational needs of the youth of our town who are beyond the Little League status.

## *Educational Progress*

During the past year we were compelled to decrease the personnel of the guidance department in the high school. Due to a larger than normal increase in enrollment, the extra three periods of counseling service, formerly taken care of by Mr. Morano, were dropped in order to allow for this unexpected increase. This action was regrettably necessary and will be remedied as soon as it will be practicable. All of the other changes made last year in our educational programs and services have been continued. Our new thirty station Audio-Active-Compare Language Laboratory is now a reality and is being used by all of our language teachers. The addition to our special

class curriculum, which we have named "Opportunity Class," was started this fall and is now housed in the senior high school where these students get all of the advantages of modern educational facilities. The experiment with the Hay-Wingo method of teaching phonics was completed and is at the present being tried in all four grades at the Dorothy Manor School. Should this further test prove successful, this system will be added to all of the first grades in September of 1963. This will, of course, not replace, but will supplement, the present reading method in these grades. Mr. James H. O'Leary was appointed to the new position of supervising principal of the Center School. Insofar as our report last year concerning our being interested in becoming part of a regional vocational school set-up is concerned, we have very positive results to report. We have taken all of the preliminary steps necessary and have been assured by the member towns of which the Blackstone Valley Regional Vocational High School is composed, that, if our town acts favorably on our petition to join this group, we will be accepted. The selectmen, upon the favorable report of the committee appointed by the town moderator to investigate the feasibility of our joining this project, will arrange to have this voted upon by the citizens of the town of Millbury.

In addition to the above, we have started a remedial and developmental reading program in the Junior High School under Mr. Thomas O'Neill, a graduate of Holy Cross College who has had previous teaching experience and who has taken several graduate courses in this field. We also added a freshman football coach to our roster of coaches at the request of the head coach, Mr. Matson, the director of athletics, Mr. Roach, and the high school principal, Mr. Shaw. This was because the large number of boys going out for football did not give the head coach and his assistant time to properly teach the beginners the basic fundamentals of football. Last year in the senior and junior high schools, in order to promote the participation in organized sports by a greater number of pupils, we added intramural sports for both boys and girls to our physical education program. This year we started a "physical fitness" program in all of the elementary grades which not only gives us a physical education program from grades one through twelve but also helps us to meet President Kennedy's request that a "physical fitness" program be installed in all schools. In my opinion a good library is second only to a good reading program, and following that philosophy we are making every effort to build good libraries in all of our schools. At present under the leadership of Mr. Shaw and the guidance of Mr. Chadwick, the library in Millbury Memorial High School, which serves grades seven through twelve, is rapidly becoming a pleasure to behold. The recent graduates have shown their appreciation of this fact by their gifts to the library at graduation time. Mr. O'Leary and the Center School teachers have also started a library in the auditorium of this school and under the slogan "Watch Me Grow" have embarked on the proposition that nothing but the best is good enough for us. These are all healthy signs of good sound educational growth and it is our desire to see eventually a good library in every school. Last year in the field of music upon the suggestion of Mr. Bruno, our new instrumental instructor, flutophones were purchased for all fourth grades and lessons were given each week on the playing of these instruments. The following statement taken from Mr. Bruno's annual report speaks for itself: "The inauguration of flutophone classes in grade IV has proven to be of great value both in creating interest and providing each student with basic music fundamentals. This basic

pre-band instrument also affords the instrumental director the opportunity of detecting musical talent. The effect of these classes should soon be realized and I am sure they will be most rewarding." Last year the fifth and sixth grade chorus, under the direction of Miss Bowe, and the fifth and sixth grade band, under the leadership of Mr. Bruno, put on a very enjoyable and most entertaining concert. This will be repeated this year and, in addition, Mr. Bruno has stated that the high school Glee Club and band will put on a spring concert this year. This summer Mr. Bruno will again have his band classes and if the initial adventure last summer is any criterion, then I am sure it will be a success.

There are many other additions anticipated, such as: a science preparation room in the high school; remedial reading introduced into the elementary curriculum; curriculum revision and revision of courses of study at both the elementary and secondary levels, all of these and many more are in the tentative stage at present.

We have also, at this writing, just about completed our plans for the evacuation of all of the pupils from our buildings to their homes in the advent of a warning of an impending nuclear attack. As soon as these plans are completed all parents, civilian defense-leaders, local papers and bus drivers will be informed and, weather permitting, a trial run will be made.

#### *Teaching Staff*

The new teachers' salary schedule should prove both beneficial in securing new teachers and in holding those that we have. Once again we will be able to feel secure in the knowledge that although we are not at the top quartile, neither are we at the lowest, and only a few of our neighboring towns will be able to offer greater inducements, financially or otherwise.

We have also officially recognized heads of departments who will receive remuneration for this service commensurate with that offered by neighboring towns.

The teachers in turn will be expected to improve their educational status by taking courses for professional improvement. At least six credits must be earned in every three-year period in order to receive yearly increments and advancement to the next three-step plateau on the climb towards the maximum pay. Three of these credits must be earned on the academic or graduate level. The remaining three may be earned through work on curriculum building, course of study revision, or by taking in-service courses.

In-service courses are at present being planned in reading and in modern mathematics.

#### *Changes in Staff*

Special recognition should be made of the retirement of Mrs. Bernice Gillert on June 21, 1962, teacher of grade three in the Providence Street School for the past five years and for nine years as first and second grade teacher at the Burbank School. Also to Miss Dorothy Murphy whose retirement took place on December 21, 1962, teacher for the past forty-two consecutive years—twenty-four years as teacher of grade two at the Providence Street School and eighteen

years as teacher of grades one and two at the Burbank School. To both of these teachers we congratulate you on the splendid records you leave behind you and we all sincerely thank you for jobs well done. May we wish you health and happiness in your retirement.

### *Horace Mann Students*

This year we are again pleased to add the following pupils' names to the Horace Mann honor roll in the Millbury Memorial High School:

Donna Andrews  
Douglas Murray  
Beverly Norton  
Ruth Ann Paine  
Joyce Perry  
Patricia Van Ostrand  
Patricia Waskiewicz  
Elaine White

In conclusion I wish to express my sincere appreciation to all the members of our professional and non-professional staff who have so diligently performed their respective duties in such a praiseworthy manner. I would also like to express my appreciation to the town officials, the Parent-Teacher Association, the Dorothy Manor Mothers' Club, the Highway Surveyor, the Chief of Police and the Chief of the Fire Department for their cooperation during the past year. I would especially like to manifest my appreciation to the Millbury School Committee, but for whose kind spirit of cooperation the accomplishments you have read about in this report could never have come to fruition. Last, but not least, I wish to express my appreciation to my secretary for the valued advice, help, and cooperation given me.

Respectfully submitted,

STEPHEN BEATON

### *Report of Mr. Raymond E. Shaw High and Junior High School Principal*

When school opened on September 5, 1962 we had an enrollment of 435 pupils in grades 10-12. As a result of this increasing enrollment new problems and requirements are imposed on our educational system. One of these is the addition to and changes in our professional staff.

During the past year Mr. Thomas Romano was transferred from the Junior High School to the Senior High School to teach French and Latin, replacing Mr. Victor Morano who resigned to take a position with the Natural History Museum of Worcester; Miss Judith Leonard, a graduate of the University of Massachusetts, was appointed to teach English and Spanish; Miss Joan Peterson, a graduate of the University of Massachusetts, was appointed to teach Junior English, formerly taught by Miss Elizabeth Walsh who resigned to take a similar position in the Framingham school system. Mr. John White, a graduate of Worcester State College, was appointed as a teacher of Commercial Geography and Consumer Economics, replacing Mr. Philip Philip who resigned to accept a position in the Waltham school system. Mr. Joseph Kucharski, a graduate of Holy

Cross College, was appointed as an instructor of biology, formerly taught by Mrs. Linda Brennan. Mr. Robert Miles, a graduate of Clark University, was appointed to teach Senior English, formerly taught by Miss Mona Quane who resigned to return to Ireland.

The Junior High School opened on September 5, 1962 with an enrollment of 500. Changes in this faculty were also made. Miss Sandra Mandaro, a graduate of Clark University, was appointed to teach English in the eighth grade formerly taught by Mr. Romano who was transferred to the Senior High School. Miss Mary Cipro, a graduate of Anna Maria College, was appointed to teach English and French in the ninth grade and this was due to increased enrollment. Miss Mary Renaud, a graduate of Anna Maria College, was appointed to teach Freshman English since Mr. Robert Dillon resigned to enter private business. Mr. Richard Walker, a graduate of Farmington Teachers College, was appointed to teach geography and history, a position formerly held by Mr. James H. O'Leary who was appointed principal of the Center School. Mr. Thomas Moschos, a graduate of the University of Massachusetts, was appointed to teach science and mathematics, replacing Mr. Francis Kujawski who has resigned to enter private business. Mrs. Barbara Johnson, a graduate of the Massachusetts College of Art, was appointed to succeed Miss Johanna Sayre as teacher of Art in the Junior and Senior High School. Mr. Thomas O'Neill, a graduate of Holy Cross College, was appointed to teach Developmental Reading. We welcome these teachers to our junior and senior high school faculties and extend our best wishes for a successful and happy future.

The prizes and scholarships annually awarded to the members of the graduating class were as follows: Miss Elaine Jacobson received the DAR Good Citizen Award for outstanding characteristics of good citizenship; Wayne Blanchard received the first prize of one hundred dollars in the New England High Carbon Wire Essay Contest, Thomas Mongeon received the second prize of fifty dollars, and Judith Wilkinson the third prize of twenty-five dollars. The scholarship awards were the following: William Whitten was presented the one hundred dollar Millbury Woman's Club Scholarship by Mrs. Alderic Melanson, association president; James Beauregard and Miss Carol Caron were presented the Millbury Parent-Teacher Association Scholarships of one hundred dollars each by Mrs. Robert Pierce, association president; James Beauregard was presented the Millbury Credit Union Scholarship of one hundred dollars by Reverend Mont Thornburg, president; James Beauregard was also presented the American Legion Auxiliary Scholarship of one hundred dollars by Mrs. Charles Williams; Wayne Blanchard was presented the Dorothy Manor Mothers' Club Scholarship of one hundred dollars by Mrs. Edward Perry, association president. Thomas Mongeon was presented the Franco-American Club of Millbury, Inc. Scholarship of fifty dollars by Mr. Raymond E. Shaw, principal; James Beauregard, Carol Caron, and Wayne Blanchard were presented the Millbury Memorial High School Faculty Scholarships of one hundred dollars each by Mr. Raymond E. Shaw, principal. Ronald Hayden and Wayne Blanchard were presented the Millbury Memorial High School Student Body Scholarships of one hundred dollars each by Sandra Salem, Junior Class president.

A First Place Certificate was awarded to the *Reflector* for the eighth consecutive year in the thirty-eighth annual contest sponsored by the Columbia Scholastic Press Association. For the sixth

consecutive year our magazine also received the Highest Achievement in Scholastic Editing and Publishing Award from the Boston University Scholastic Press Association.

The Underwood Award to the "Outstanding Business Education Student" was presented to Beverly Grahn. The "Underwood Best Typist Award" was presented to Judith Wilkinson.

In recognition for outstanding proficiency in high school science and mathematics, Rensselaer Polytechnic Institute awarded the Rensselaer medal to Ronald Hayden.

In the Service Clubs Essay Contest, Patricia Van Ostrand received the award for the best essay among those submitted from our school.

Peter Broad was awarded the Worcester County Teachers' Association Scholarship of four hundred dollars.

Millbury Memorial High School Debating Team won a first place in the All New England Public Schools Tournament held at Shrewsbury May 4th and 5th, 1962. Also at the Central Massachusetts Forensic Association held at Grafton May 12, 1962, Wayne Blanchard was awarded a "Best Speaking Certificate."

Anne Beauregard and Wayne Blanchard were named to the Massachusetts All Star Cast at the Drama Guild Festival held at Boston on Saturday, March 24, 1962.

Wayne Blanchard was elected by the students of Millbury Memorial High School as the school delegate to the Massachusetts General Court on Student Government Day, April 6, 1962.

The annual Science Fair was held on Wednesday evening, March 14, 1962 at the Millbury Memorial High School. First place winners were David Maynard with his project "The Electric Arc Furnace" and Karl Silun and Raymond Millette with their project "Distillation." Honorable mention awards were given to Christine Morris and Karen Lundgren for the "Van de Graaff Generator," Michael Konisky and John Murin for "The Indirect Electric Arc Furnace," Richard Knapik for "Construction of a Microtome," Marshall Dana for "The Effect of Weightlessness on the Growth of Plant Life." Judges for the Fair were Mr. James J. Taparowski of the New England High Carbon Wire Company and Mr. Walter Dahlstrom of the United States Steel Corporation. Miss Joan Shea and Mrs. Linda Brennan of the high school faculty were in charge of the Fair.

On May 4, 1962 the Junior High School Glee Club presented the operetta "Mississippi Melody" under the direction of Miss Katherine Bowe, in the Memorial High School auditorium. The background and scenery were designed by the pupils under the supervision of Miss Johanna Sayre and Mr. Daniel Carmody.

The Massachusetts Bar Association, in cooperation with the American Bar Association sponsored Law Day U.S.A. as proclaimed by the President of the United States and so designated by a joint resolution of the 87th Congress. Millbury Memorial High School participated in this program at a school assembly held in the school auditorium May 2, 1962. Harry Zarrow, a graduate of Millbury High School, attorney at law and president of the Worcester County Bar Association, gave a most stimulating lecture on "Liberty Under Law."

The Know English Contest is an event wherein the practical benefits of Latin are displayed in the knowledge of English vocabulary, meaning, and origin. It was held in March 1962 and both public and parochial schools participated. Douglas Murray and Nancy Burbank of our school received a silver medal and certificate of merit.

The second annual National Honor Society induction was held in the school auditorium on May 16, 1962. Among the new members honored at this assembly were: seniors, Patricia Hayes, Kathleen Roach, David Bertrand, and Robert Juneau; the juniors were Sandra Anderson, Paula Dempsey, Linda Narx, Joyce Perry, Sandra Salem, Patricia Waskiewicz, Marshall Dana, Glen Parath, and Richard Sadowski.

The various clubs and organizations in the Millbury Memorial High School enjoyed another year of success under the leadership and guidance of the following teachers: Girls' Athletics Miss Ann Harrington; Boys' Athletics, Mr. Martin Roach, Mr. Hudson Matson, Mr. Paul Kollios, and Mr. James H. O'Leary; Cheerleaders, Miss Diane Berthiaume and Miss Mary Cipro; Student Council, Mr. Victor Morano and Mr. Alan Curtis; Band and Glee Club, Mr. Rocco Bruno; French Club, Miss Helen Brown; Science Club, Miss Joan Shea; Biology Club, Mrs. Linda Brennan and Mr. Joseph Kucharski; the Junior Red Cross, Mr. John Chadwick; the *Reflector*, Miss Margaret Marlborough, Miss Frances Pronski, Miss Mona Quane, Mr. Robert Miles, Miss Johanna Sayre and Mrs. Barbara Johnson; the *Aftermath*, Miss Helen Brown and Mr. Edward Cronin; the Dramatic Club, Miss Elizabeth Walsh and Miss Joan Peterson; Public Speaking and Debating, Mr. Victor Morano and Mr. Thomas Romano; Magazine Drive, Mr. Paul Lacouture.

Once again our high percentage of attendance in the Millbury Memorial High School, 96.61, and in the Junior High School, 95.88, is an indication of the interest and cooperation of both pupils and parents of the town.

It has been a busy year. Problems of growing school population present many interesting challenges to all of us connected with the high and junior high schools. Your cooperation, together with an understanding and alert School Committee, help in the day to day tasks. May we all continue to give our best efforts to the education of the secondary school boys and girls of Millbury.

# Report of School Building Committee

To the Citizens of Millbury:

The committee is pleased to report that the New Junior High School, the additions to the Memorial High School, and the new softball and football practice field are nearly complete at this time. Final completion of the project should be in the early summer.

The Building Committee has received invaluable assistance from all town departments and townspeople during the construction of this project and we wish to thank them for the wonderful cooperation extended the committee.

As chairman, I would like to express my appreciation for the wonderful assistance rendered by the Building Committee personnel during the entire planning and building of this project. My sincere appreciation is also extended to Mr. Shea, our immediate past school superintendent, and to Mr. Beaton, Superintendent of Schools, for their tireless efforts on behalf of this project.

Any interested voting citizen of the town of Millbury may procure information in regard to actions and expenditures by the Millbury School Building Committee simply by calling the Chairman of this committee. As promised in our report of last year, a complete list of expenditures to date follows:

## Report of the Finance Committee

To the Citizens of Millbury:

The Finance Committee respectfully submits its annual report and recommendations to the citizens of Millbury.

Like perennial forecasters of gloom, it is our unhappy task to inform you that we are faced with a substantial rise in the taxes again this year.

The major increase is in the school budget, which is \$59,456.79 over last year's budget figure—this represents a tax increase of \$6.60 per \$1,000 assessed valuation.

The Board of Health budget has increased \$19,360 which is the result of a raise in the garbage collection contract of \$9,360 per year and the inclusion in their budget of the hospitalization fund for the Worcester County Sanatorium of \$10,000. Although the Board had no control over these items, they do represent an increase of \$2.15 per \$1,000 in taxes.

Our E and D account is \$24,000 lower than last year's which means we have that much less "Free Cash" to apply toward reducing taxes this year.

With these things in mind, we have endeavored to arrive at an equitable budget.

If the recommendations of the Finance Committee are followed, the tax rate for 1963 will be approximately \$118 per \$1,000 assessed valuation; an increase of \$10 per \$1,000.

Respectfully submitted,

LEROY M. THOMAS, SR.
